Marine Ecology Camp Counsellor Wanted

About Us

MacSailing is looking for passionate and energetic Marine Ecology Camp Counsellors to lead engaging, hands-on environmental education programs at Jericho Beach. If you love the ocean, marine life, and working with kids, this is the perfect summer job for you!

Position Overview

We are hiring Marine Ecology Camp Counsellors to guide campers aged 8-14 through interactive lessons on marine ecosystems, conservation, and ocean exploration. You'll lead beach walks, hands-on activities, and outdoor experiments, helping kids discover the wonders of the ocean while fostering a love for environmental stewardship.

Responsibilities

- Lead marine ecology lessons and interactive activities
- Guide campers in exploring intertidal zones, tide pools, and local marine life
- Facilitate games, scavenger hunts, and experiments that reinforce ecological concepts
- Ensure a safe and inclusive learning environment for all participants
- Work collaboratively with other instructors and staff to deliver an engaging and educational camp experience

Requirements

- Background in marine biology, environmental science, or a related field (or strong interest in marine ecology)
- Experience working with children in an educational or camp setting
- A curious, engaging, and enthusiastic attitude
- First Aid Certificate (or willingness to obtain)
- Ability to work Monday to Friday, 9 AM - 4 PM, from late June to August

Location

Jericho Beach, 1300 Discovery St, Vancouver, BC

How to Apply

If you're ready to inspire the next generation of ocean explorers, we'd love to hear from you! Send your resume and a brief cover letter to info@macsailing.com.
